

Edsby for Parents

Fall 2022

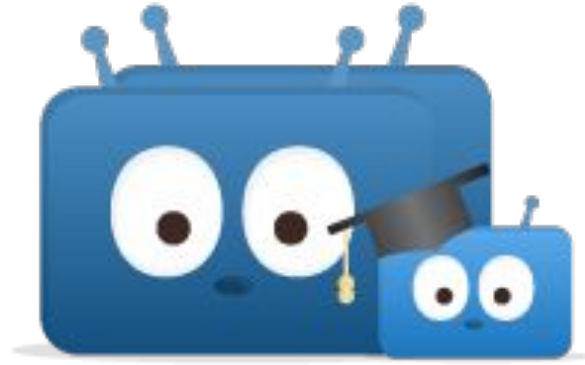

Our Assessment Goal

Saskatchewan Rivers' students will experience a model of assessment that will support their growth and development as learners.

Students will understand their strengths, areas that need further development and how to use feedback to improve their skills and performance.

We will provide timely, clear and accurate communication to parents/caregivers/guardians about their child's progress.

Edsby

All of our students, PreK - Grade 12
will be using Edsby.

Connecting to Edsby

Your school secretary will send an email link from Edsby to activate your account.

Each of your children will get their own email link, you will have to click on each link to connect them all.

The first time you click a link you will have to choose:

"I don't have an Edsby parent account at Saskatchewan Rivers School Division."

For your next child you will click:

"Login to your existing Saskatchewan Rivers School Division Edsby parent account."

Watch Me: [Creating your Parent Account](#)

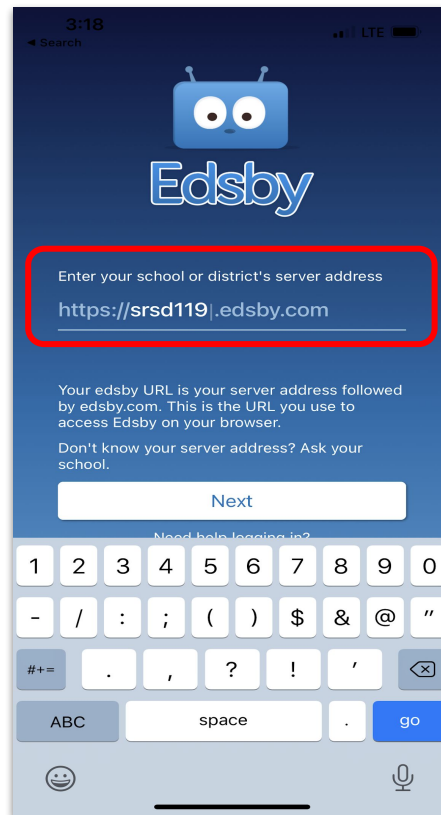

Edsby App

When you download the app you will need to enter:

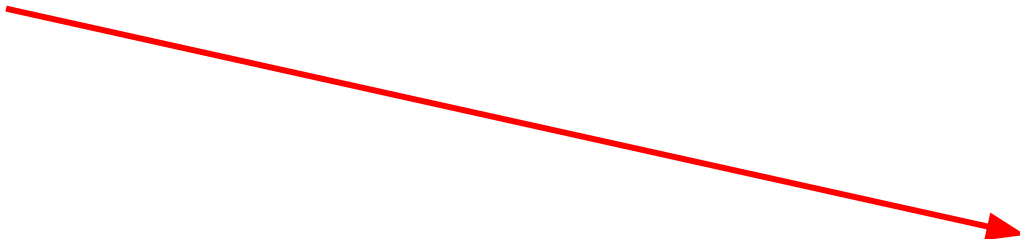

srsd119

This will connect you to our school division then you can log into your account using your email address and the password that you choose during the initial set up.

Resetting Passwords - Parents

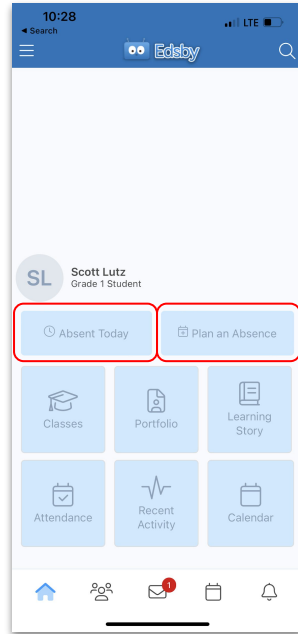

If you forget your password, just click

A screenshot of a mobile app interface for Edsby. At the top, the status bar shows 10:21, LTE signal, and battery level. Below is a search bar. The Edsby logo, featuring a blue robot head, is centered. Below the logo, it says 'Sign in to Saskatchewan Rivers Public School Division'. There are input fields for 'Username' and 'Password'. A blue 'Log In' button is below the password field. Below that, it says 'OR LOGIN WITH:'. There are two buttons: 'Google SRPSD' and 'Microsoft SRPSD'. Below these is a red-bordered button labeled 'Forgot Password?'. At the bottom of the login section is a link that says 'Choose Another Server'. The bottom of the screen shows a home indicator bar.

Driver's Ed Classes

Edsby gathers all the news from the district and schools your children attend in the News River at the top of your Home Screen.

Click on the image to read the entire article.

The arrows move the news from left to right.

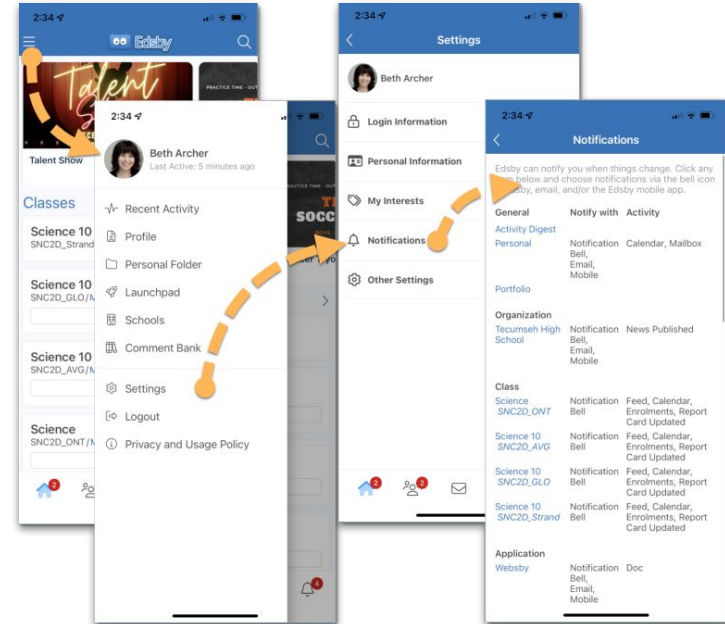

Notifications

With so many things happening inside Edsby, it is important to stay organized and up-to-date.

Edsby makes this easy by enabling various notifications to ensure parents using Edsby are notified of the important things happening within school, Classes, Calendars, and Groups.

From your Edsby App:

Notifications

When you are on your computer.

This can be done by clicking the drop-down arrow next to your name in Edsby and selecting Settings from the menu.

Suggested Notification Settings

Personal: Edsby enables parents to receive Email notifications when there are new Messages in their Edsby Mailbox.

- Click Personal
- Select the boxes for Email and Mailbox

Notifications for: Ms. Sara Lee

Activity Digest: Edsby also enables a daily digest of activity to be emailed parents and students who wish to receive it. This daily digest provides a summary of any new items in Groups or Classes that happened on a specific day, assessments that were due the current and following days, as well as any events happening the next day – all indicated by a red bubble counter.

Your choices are **Never** or **Daily**.

Edsby Messages

You have a mailbox available by clicking the envelope icon on your mobile (app) Navigation Bar.

Here you can view previous conversations as well as compose a new message by clicking the icon in the top right.

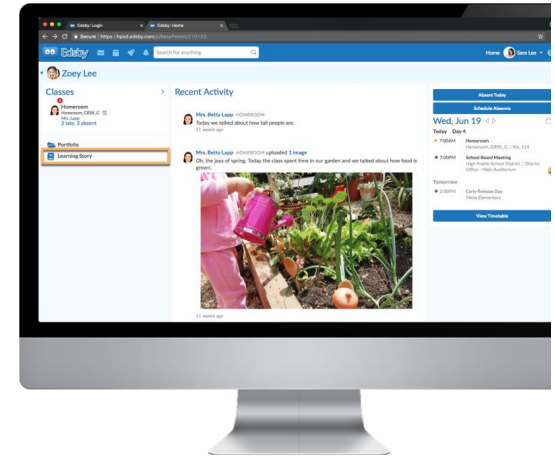

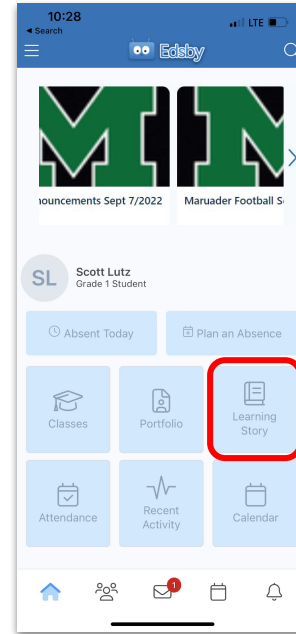

Type the teachers name here.

Learning Story

Edsby provides teachers with tools to capture pictures and videos of student learning. Once captured, teachers can create Learning Stories to share with you!

You can view evidence teachers have shared through their child's Learning Story. This feed is available on both mobile and browser interfaces and shows shared learning evidence captured by the student or teacher with the newest posts at the top of the feed.

Like and Comment!

You can like and comment on Learning Story items.

Teachers & Students will appreciate your feedback.

The screenshot shows a 'Learning Story' interface. At the top, there's a blue header with a back arrow and the text 'Learning Story'. Below this is a profile section for 'Lisa J Lee' with a circular icon containing 'LL'. Underneath is a section for 'Mr. James Harris' with a small profile picture and the date 'Jul 15/21'. The main content area contains a paragraph: 'Lisa is able to recap key parts of the book that are crucial to the plot.' Below this is a table with three columns: 'Book Portion', 'Pages', and 'Notes'. The table has five rows: 'Introduction' (pgs 1-20), 'Inciting Incident' (pg 30), 'Rising Action' (pg 40-415), 'Climax' (415-476), and 'Falling action' (477-483). The 'Notes' column contains various observations. At the bottom of the table is a 'Resolution' row (484-489). Below the table is a quote: 'Lisa is able to recap key parts of the book that are crucial to the plot.' and a code 'SK.4017:ARA10.1'. At the very bottom, there is a red rectangular box containing two icons: a speech bubble (comment) and a thumbs up (like), with a yellow arrow pointing to the like icon.

Book Portion	Pages	Notes
Introduction	pgs 1-20	- Lisa's description of the first scene was very accurate. She's very observant.
Inciting Incident	pg 30	- Lisa's description of the incident was very accurate.
Rising Action	pg 40-415	- Lisa's description of the rising action was very accurate. She's very observant. She's also very detailed in her notes.
Climax	415-476	- Lisa's description of the climax was very accurate. She's very observant. She's also very detailed in her notes.
Falling action	477-483	- Lisa's description of the falling action was very accurate. She's very observant. She's also very detailed in her notes.
Resolution	484-489	- Lisa's description of the resolution was very accurate. She's very observant. She's also very detailed in her notes.

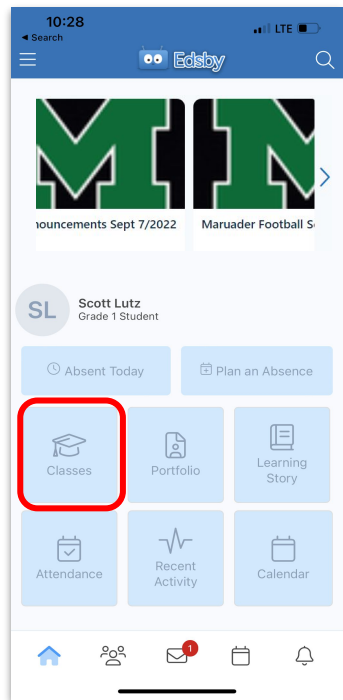

"Lisa is able to recap key parts of the book that are crucial to the plot."

SK.4017:ARA10.1

Comment Like

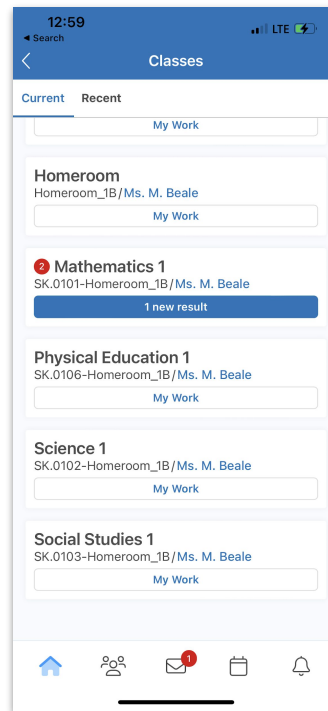

Classes & Students Grades

Clicking on “My Work” for each class will show you, your child's upcoming assessments and any grades your teacher has shared.

You can also click on the name of the class for journal entries and notes.

Grade 1-9 Grading Scale

When you log into Edsby and look at your child's "My Work" you will see IG, IE, BE, AP, ME, or EX.

EX - Exemplary	Evidence indicates in-depth understanding, demonstration or application of the strand
ME - Meeting	Evidence indicates understanding, demonstration or application of the strand
AP - Approaching	Evidence indicates progression towards understanding, demonstration or application of the strand
BE - Beginning	Evidence indicates initial understanding, demonstration or application of the strand
IE - Insufficient Evidence	The student has not yet demonstrated enough evidence for reporting purpose.
IG - Individualized Goals	The student demonstrates understanding of outcomes that are adjusted in number and complexity as discussed with parents/ guardian prior to this report.
