Choir news

The choir has been very busy meeting every Wednesday and Thursday at lunch. We sang at the welcome back assembly. You can watch this performance on my Mrs. Gange Music Room Facebook page at <https://www.facebook.com/Gangemusic>. We also sang "O Canada" in Cree at our tipi ceremony and be singing that again on October 4th at Carlton for their Indigenous Day. The choir is open to students in grade 3 to grade 8 and is never too late to join.

Family Library Time

As we are working hard with our students to meet our Riverside Reading Goals, we are starting something new here at Riverside!

Mondays (3:15-4:15) our school Library will be open for **parents and guardians** to come and sign out books!

Please use the Library door (located on the South side of the building)

- Enter the PreK/K playground through the daycare gate
- Walk West (to your left) along the PreK/K Playground until you see the sign on the door that says LIBRARY
 - Knock and someone will let you in!
 - See you then!

Riverside's School Based Instructional Coach

Hello and welcome to October. I am Riverside's school based instructional coach, Mr. Korecki. Our first full month has been busy and our students are settling into their routines. Our biggest focus this year is literacy. Families can help us with our work by fostering a love of reading at home. Encourage your child to bring school library books home. Families can also access the John M. Cuelenaere library. Read these books together to help foster a love of reading in your child. See the QR code below for a direct link to the John M. Cuelenaere library website. If you are needing a library card, visit them in their branch and they can set you up.

Let's start learning! One of the best things we can do to help ensure the future success of our children is to invest time and energy into helping them learn during their youngest years. Where do we begin to help them learn, thrive and succeed? Scan the QR code below to gain access to videos to help you get started.
