## May 2025

### *Culture Camp Day at Little Red – A Day of Traditional Learning and Fun!*

We are excited to share that our school will be hosting our annual **Culture Camp Day on Wednesday, May 14 at Little Red River Park!**

This will be a full day of hands-on learning and cultural activities, and we can't wait for students to take part in this exciting experience.

Throughout the day, students will have the opportunity to try out a variety of traditional and land-based activities, including Indigenous games, archery, birch bark biting, exploring natural medicines, pointillism art, and much more! These activities are designed to help students learn from the land and deepen their understanding of Indigenous cultures and traditions.

To keep everyone fueled for the fun, a delicious soup and bannock lunch will be provided for all students.

Culture Camp Day is a wonderful chance for students to connect with nature, try new things, and learn in a unique and meaningful way. We're looking forward to a memorable day of discovery, sharing, and celebration!
